WHY THE PICO COOLER MARKET BUNDLED SOLUTION

EASY TO USE

Provides a simple and easy user experience for your employees. All they must do is swipe their credit card or tap their mobile wallet, select, and scan their product on the card reader and they are all finished!

GREAT SELECTION OF PRODUCTS

The new PICO Cooler markets offer the employee an excellent selection of the top beverages, food products and snacks that will take care of their drink or food needs throughout the course of the workday.

TODAY'S PREFERRED FORM OF PAYMENTS

Gain a market advantage offering this micro-market solution with fresh food in medium sized locations previously too small for full-sized micro-markets.

SMALL FOOTPRINT, ECO-FRIENDLY & FOOD HEALTH LOCKS

It only takes seven (7') feet of linear floor space across to install these new PICO Cooler markets while still offering the employees a wide selection of beverages, food, and snacks. The Cool Blu cooler offers the latest in eco-friendly refrigerant in addition to health locks to ensure food product quality and safety.
